John Gage
National President
American Federation of Government Employees
80 F Street NW
Washington, DC 20001

Dear Mr. Gage:

I am writing to invite the American Federation of Government Employees (AFGE) to submit written testimony to the Subcommittee on Contracting Oversight for a hearing entitled, "Contractors: How Much Are They Costing the Government?" The hearing will be held on Tuesday, March 13, 2012 at 10:30 A.M. in Room SD-342 of the Dirksen Senate Office Building.

The purpose of the hearing is to examine whether government agencies use cost information to determine if work should be performed by federal employees or contractors. The hearing will also assess what the government is doing to improve the data available on contractors and develop best practices to determine when using contractors will constitute the most effective use of taxpayer dollars. In addition, the hearing will examine how government agencies can control the costs of contracting while still maintaining effective contract management and oversight.

I invite you to submit written testimony to address AFGE's view on how the government accounts for and analyzes the cost of contractors versus the costs of federal employees. I would also appreciate any suggestions you may have as to how the government can do a better job in this area going forward.

Please submit an electronic copy of your written statement to Subcommittee Clerk, Kelsey Stroud, at Kelsey_Stroud@hsgac.senate.gov by **10:30 A.M. on Friday, March 9, 2012.** Please contact Margaret Daum at (202) 224-4462 with any questions.

Sincerely,

Claire McCaskill
Chairman
