The Honorable John McHugh
Secretary of the Army
U.S. Department of Defense

Washington, DC 20301-1400

Dear Mr. Secretary:

On December 14, 2011, I requested that the Army provide a briefing on its review of the history, science and contracting issues surrounding the Army's use of the Automatic Neuropsychological Assessment Metric (ANAM) test. Your staff provided the requested briefing on Friday, January 27, 2011. At the briefing, Army officials informed the Subcommittee that the Army was conducting a 15-6 investigation into these issues and that a report would be available after February 2012. I am writing to request a complete and unredacted copy of this report, including any appendices.

I appreciate your assistance and cooperation with the Subcommittee's ongoing investigation. Please have your staff contact Sarah Garcia with the Subcommittee staff at (202) 224-1014 with any questions. Please send any official correspondence relating to this request to [Kelsey Stroud@hsgac.senate.gov](mailto:Kelsey_Stroud@hsgac.senate.gov).

Sincerely,

Claire McCaskill
