Dear Mr. Letko:

We are writing to invite you to testify before the Subcommittee on Financial and Contracting Oversight at a hearing entitled, "Oversight and Business Practices of Durable Medical Equipment Companies." The hearing will be held on Wednesday, April 24, 2013 at 10:00 a.m. in Room SD-342 of the Dirksen Senate Office Building.

The purpose of the hearing is to review payments by the Centers for Medicare & Medicaid Services (CMS) under Medicare Part B to suppliers of medical products such as diabetic testing equipment, CPAP machines, power mobility devices, and back braces, also known as durable medical equipment. The hearing will also examine the promotion and marketing of these types of products by durable medical equipment companies to patients and their doctors. The hearing will also assess CMS' oversight of durable medical equipment reimbursements under Medicare Part B, including its efforts to control costs and detect and prevent abusive practices and improper payments.

Your testimony should address U.S. Healthcare Supply, LLC's sale and reimbursement of durable medical equipment to Medicare beneficiaries under Medicare Part B. Specifically, you should be prepared to discuss payments by CMS from 2010 through 2012, including any overpayments that have been identified by CMS for durable medical equipment. You should also be prepared to discuss the promotion and marketing of durable medical equipment to Medicare beneficiaries, including your compliance with applicable statutes and regulations. In addition, you should be prepared to answer questions regarding audits or closed investigations relating to the sale of durable medical equipment under Medicare Part B.

We request that you summarize your testimony in 5 minutes, although a longer written statement may be submitted for the official record. This will allow adequate time for you to engage in questions and answers with members of the Subcommittee. **Subcommittee rules require that your testimony be submitted by no later than 2:00 P.M. on Monday, April 22, 2013.** Please send official correspondence
