Mr. Seth D. Harris
Acting Secretary
U.S. Department of Labor
200 Constitution Avenue, NW
Washington, D.C. 20210

Dear Mr. Harris:

As part of the Subcommittee's ongoing oversight of government transparency, I am writing to request information regarding how the Department of Labor manages Freedom of Information Act (FOIA) requests.

In order to gain a better understanding of how the Department processes, manages, and oversees its FOIA responsibilities, please provide information responsive to the following questions:

- (1) It appears that the only means to submit a request to the Department is through mail, fax or email. Has the Department considered developing an online FOIA request application?
- (2) Will the Department automatically direct requests to all relevant offices or components? If not, why not?
- (3) To what extent may requesters track their requests online?
- (4) How are FOIA requests tracked within the Department?
- (5) Does the Department use software or dedicated hardware acquired from or managed by contractors to process or respond to FOIA requests? If so, please provide the name of the contractor, contract number, a description of the contract scope and the work performed, the contract start and end dates, and the contract costs for the past four years, including base and options value, as well as obligated amount.
- (6) Do contractors process FOIA requests, make determinations, calculate fees, or participate in the FOIA request or response process? If so, please provide the name of the contractor, contract number, a description of the contract scope and the work performed, the contract start and end dates, and the contract costs for the past four years, including base and options value, as well as obligated amount.

- (7) If a determination is made to release documents or information to a requester, are the documents and information made public? If so, in what format and where are they made available?
- (8) What percentage of responses are made electronically?
- (9) Is the Department aware of the FOIA Online portal?¹ Has the Department considered joining FOIA Online? Why or why not?

I request that you provide this information as soon as possible, but in no case later than **March 28, 2013**.

The jurisdiction of the Subcommittee on Financial and Contracting Oversight is set forth in Senate Rule XXV clause 1(k); Senate Resolution 445 section 101 (108th Congress); and Senate Resolution 64 (113th Congress). An attachment to this letter provides additional information about how to respond to the Subcommittee's request.

Please contact Sarah Garcia with Chairman McCaskill's Subcommittee staff at (202) 224-5602 or Justin Rood with Dr. Coburn's Committee staff at (202) 224- 4751 with any questions. Please send any official correspondence relating to this request to Lauren Corcoran@hsgac.senate.gov.

Sincerely,

Claire McCaskill
