Dear Vice Admiral Lewis:

I write to request a copy of a recent audit completed by the Defense Contract Audit Agency on June 27, 2018, and now in the possession of the Defense Contract Management Agency. The audit reviewed incurred costs by New Century Consulting (NCC) for fiscal year (FY) 2014 through FY 2016 under the Afghanistan Source Operations Management Program (ASOM),¹ the successor to the Legacy Program to train Afghanistan security forces. As you know, the previous FY 2008 – FY 2013 audit of NCC has been particularly helpful to conducting oversight into the management and expense of these programs.

I formally request you provide this audit as soon as possible but in no event later than October 9, 2018. If you have any questions related to this request, please contact Jackson Eaton of my staff at (202) 224-2627. Please send any official correspondence related to this request to Rina Patel at Rina_Patel@hsgac.senate.gov. Thank you for your prompt attention to this matter.

Sincerely,

Claire McCaskill
