Dear Chairman McCaskill:

Thank you for your letter, dated November 27, 2013, concerning the support services contract (SSC) cost benefit analysis we provided to your Subcommittee. In your letter, you requested additional information to allow the Subcommittee to fully understand our methodology and conclusions. I apologize for the delay in responding to your concerns.

Attached, in **Appendices A** and **B**, please find the Office of Personnel Management's (OPM) responses to your questions. On several questions, as per conversations with Ms. Cathy Yu of your staff, OPM was relieved of responding in this writing.

Further, OPM has noted in the attachments areas where information is sensitive or proprietary. Public release of such information is discouraged.

OPM appreciates the opportunity to respond to your interest in this matter. If you have any further questions, please feel free to contact me at 202-606-1300.

Sincerely,
